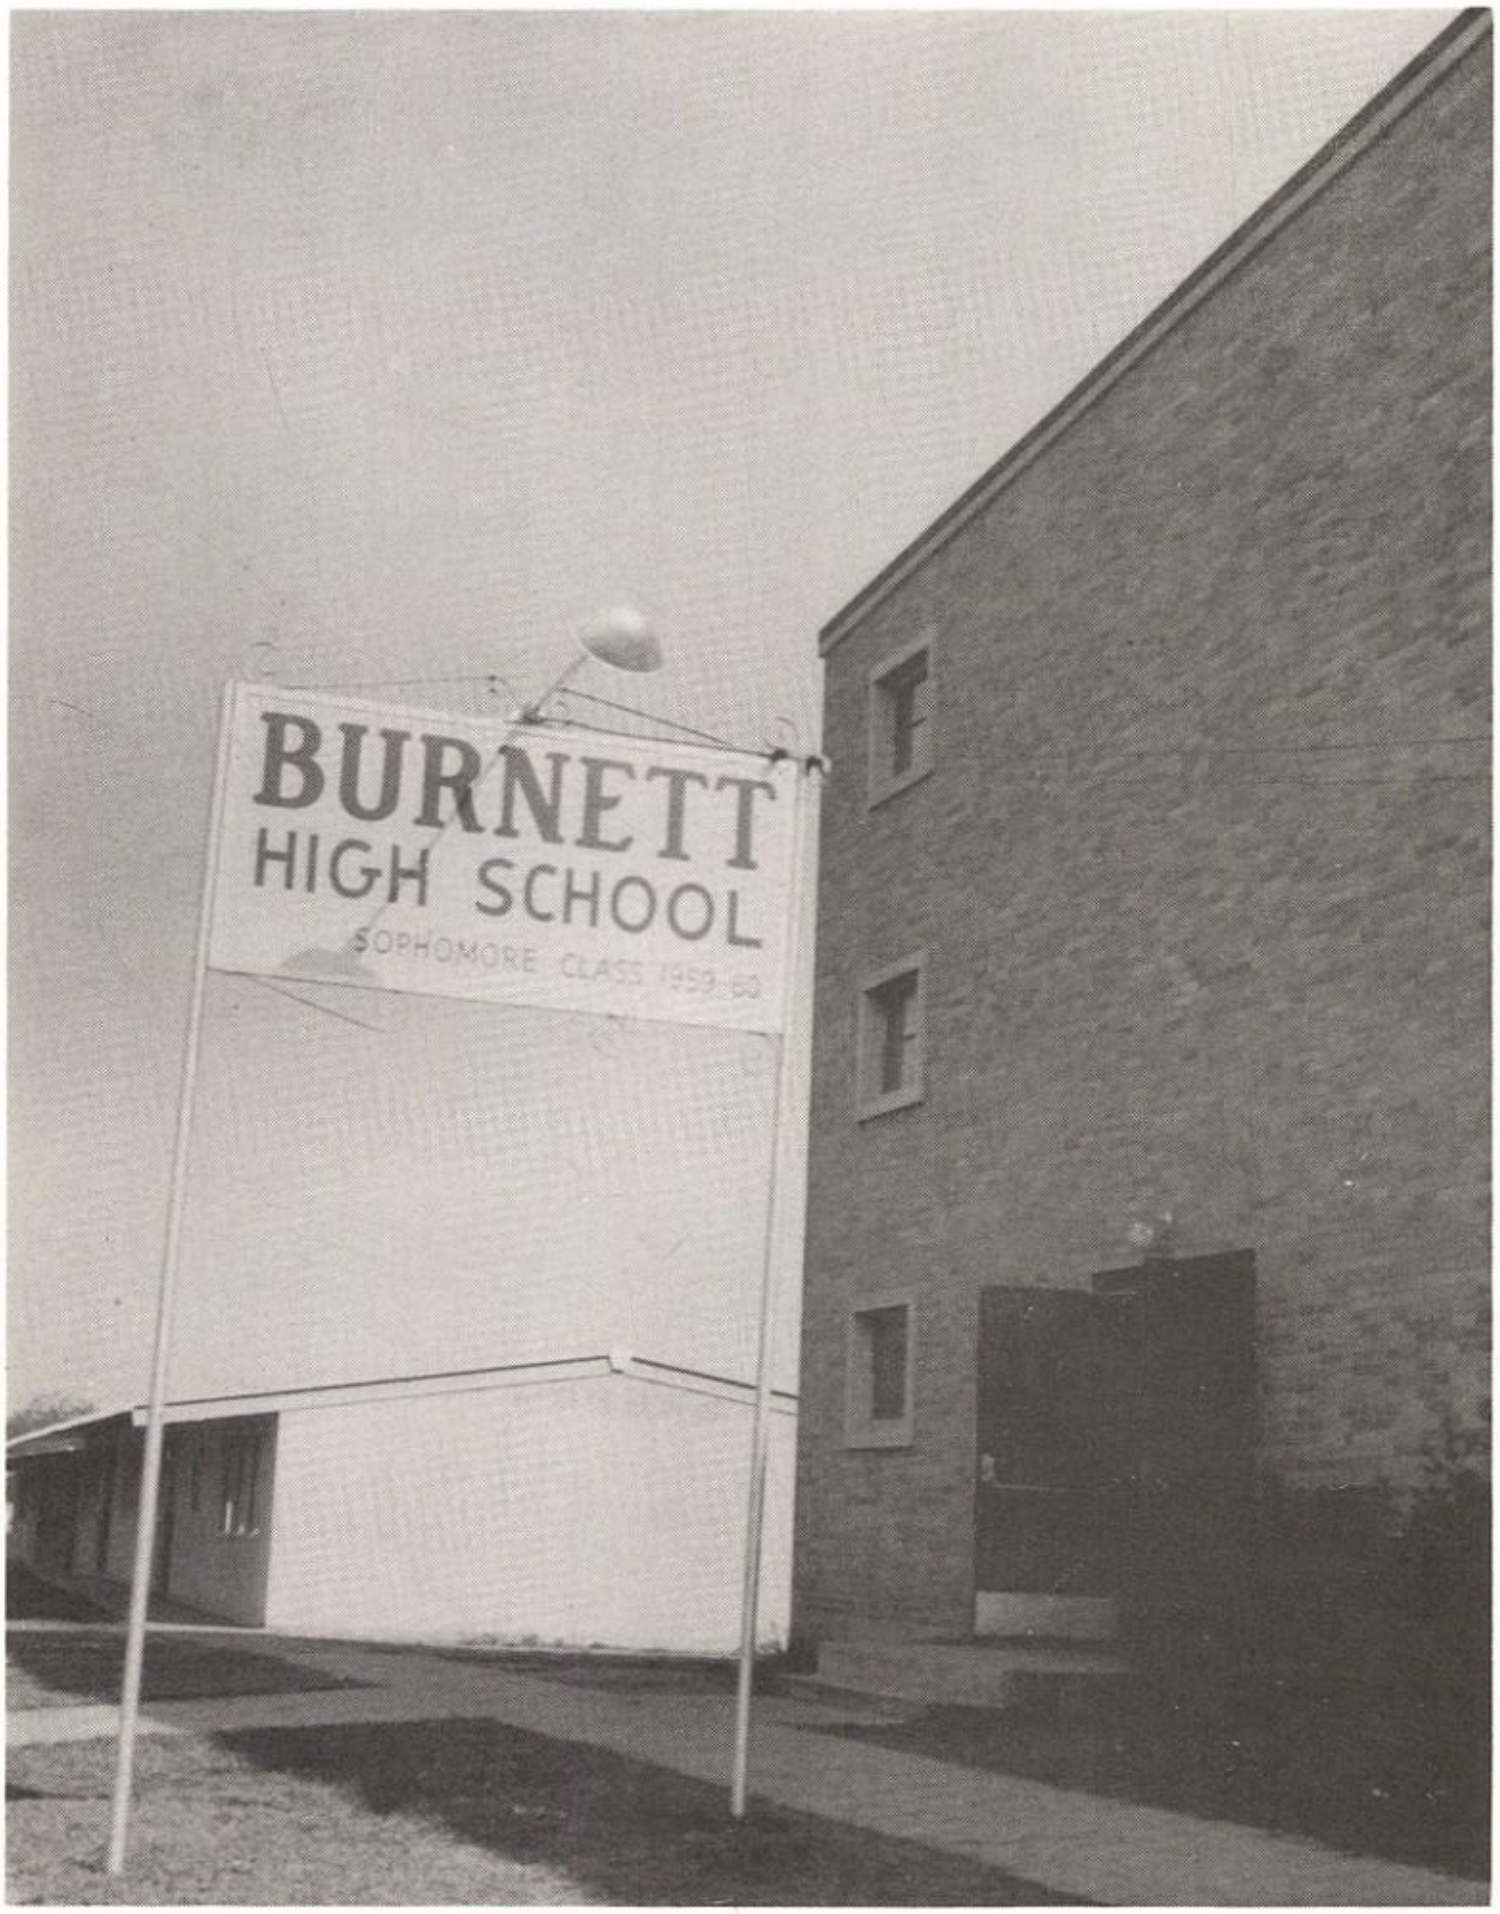
The Tiger



Burnett High School

Terrell, Texas

MRS. L.B. BURNETT

Dedication

To our helpful and understanding teacher and friend, who has rendered every service possible to uphold the spirit of Burnett High School; to one who has worked without ceasing, for our educational improvement; to one who encouraged and guided us in all our undertakings; who has taught us willingly, faithfully, and with fullest capacity, we proudly dedicate this edition of "THE TIGER" to our very own--

MRS. L.B. BURNETT

Foreword

As one year fades away and the next begins, another class has graduated. But will high school days be forgotten and left behind?

The 1961 Tiger was printed in order that we may always be able to look back and recollect the happy, carefree, and yet busy hours we have spent in school; to see at a glance our classmates, friends, and teachers; and to keep in our hearts the many fond memories of days gone by.

We hope that each and every one greatly enjoys the book. May it always remind you of moments you wish to remember.

Principal's Message

In a school which functions for the welfare of all, there is a sense of responsibility which causes that school to operate smoothly at all times because each student and each teacher does his best to be sure everyone is in the place where he should be, doing what he should do, at all times.

Every student and faculty member should feel that the position he or she holds in the school is of utmost importance, and he or she should understand that the moment that position is neglected, the lives of every student and every faculty member are disturbed.

My congratulations to all students who attend our school on their fine cooperative attitude. I extend heartfelt gratitude to every member of the Faculty and Board of Education. I feel certain that people such as these whom I have grown to love, will consistently lead students in even greater loyalty and cooperative thinking about continual improvement of educational opportunities in Burnett High School of future years.

Sincerely,

Joseph Jones
